- 1. **The following are responses to questions and/or clarifications sent to ASPA by potential offerors:**

Question #1: Please clarify this instruction – are we to separate the Cost Proposal from other documents in our bid package?
Response: <i>You may place the cost proposal separate from the bid package, or together. Both options are okay. With either option, the Cost Proposal should be labeled clearly.</i>
Question #2: Please clarify if all six (6) sets need to have the complete submittal/product data package included – or do you only want 1 hard copy. If six sets of submittal/product data are NOT required, we would include all other bid documentation in the document sets and one (1) set of submittal/product data.
Response: <i>Please provide at minimum, one full set of the submittal/product data package, in hard copy.</i>

Should you have any questions or need clarification, please call me at (684) 699-3057 or procurement@aspower.com / bids@aspower.com.

Sincerely,
