RFP NO.: RFQ No.19.012.ESD-WTR - Supply and Delivery of Water Meters & Components-Water Meter IPERL Project

SUBJECT: Addendum No. 1

The American Samoa Power Authority hereby issues Addendum No. 1 to amend Request for Proposals (RFP) requirements. This addendum is issued pursuant to the conditions of the RFP documents and is hereby made part of the RFP. The addendum serves to clarify, revise, and supersede information contained in the RFP. The Offeror must acknowledge receipt of this addendum in the appropriate space provided in the Addendum Form. Failure to do so may subject the Offeror to disqualification.

A. This Addendum shall include the following:

1. **Question-Q-1** – Noticed that the iPERL configuration in paragraph 1.1.1.2 on page 16 of attached is configured WITHOUT the 6'0" communication cable. Please confirm if you want the cables included in the quote (which is typically standard). If so, the configurations should be 5/8" I5X8GAXX and 1" I4X8GAXX.

Answer – A-1 - We do not need the TR/PL cable at this point. We only want the meter.

2. **Questions-Q-2** - - Do you have an estimate of the amount of Water Meter that will be need for this RFQ?

Answer-A-2 – quantity of meters requested can be found on quote form (page 21 of 25). We are requesting 5/8" and 1" meters.

Should you have any questions or need clarification, please call me at (684) 699-3057 or procurement@aspower.com.

Sincerely,

Ioana S. Uli

Procurement Manager
